2019 Year of Chicago Theatre

The City of Chicago and the League of Chicago Theatres have designated 2019 as the 'Year of Chicago Theatre.' This citywide, year-long focus on theatre is the first of its kind in the U.S. The initiative includes performances and special events throughout the city – including theatre-themed events in all 77 community areas, as part of the Chicago Park District's 'Night Out in the Parks' series. The City of Chicago and its partners will also launch a marketing campaign; provide additional financial grants to theatre projects; encourage dialog around inclusion and equity; and call on civic, philanthropic, arts and business leaders to support the theatre community. To truly fall in love with Chicago, you must go to our theatres. This is where the city bares its fearless soul. Home to a community of creators, risk-takers, and big hearts, Chicago theatre is a hotbed for exciting new work and hundreds of world premieres every year. From Broadway musicals to storefront plays and improv, there's always a seat waiting for you at one of our 200+ theatres. Book your next show today at ChicagoPlays.com.
